Facebook properly technology processes the tech spec that is active on my domains -- that most web domains have inactive [> 90%]. It might be unusual to encounter on the web -- but rest assured the URL in this spec is real --

The use of it on my domain is a NAME BINDING to the manner -- ABSOLUTE -- you are bonded to this manner -- I WILL NOT ACCEPT THAT MY BLOOD RESULTS ARE LOST!

I WANT TO KNOW WHAT THE FUCK HAS HAPPENED HERE!

Test Results

If you have a Labcorp patient account, test results will be delivered electronically through the portal (button below). You can also contact us 8:00 - 5:00 local time call: 1-855 522 2677.

My lab results have not been posted and more than two weeks have passed. What should I do?

In most cases, lab test results delivery times should not exceed two weeks. The most common reason for delay in receiving results is inaccurate or out-of-date personal information on record with your health care providers or in your Labcorp Patient™ portal personal profile.

Please check and confirm the following:

- Your Labcorp Patient portal personal profile information is up to date, complete, and accurate.
- The personal information on record with all of your health care providers matches the personal information in your Labcorp Patient portal profile. Health care providers include your primary care physician, specialists, hospital professionals, and all Labcorp specimen collection labs.

How soon can I expect to receive my lab test results?

Depending on the complexity of the tests, it could take several days to complete the tests. You should contact your doctor's office if you have any question about the availability of test results, or you can continue to check your Labcorp Patient™ portal account, as results are posted based on a fixed schedule as indicated above.

TRUE! TRUTH! TRUTH AND CONSEQUENCES!

What is wrong with you people?

I wonder how much of what is going on is going to be aired in tonight's broadcast.

Dear Ms Espiratu: I will be making a copy of this broadcast so that it also can be placed into my file.

Thank you.

Dear City Aids Americas: You have been given my efforts in all of this since November forward.

What do you think? It is a massive mischievous marvel of molding muck.

Ms Espiritu:

I have faxed a fax last week that I want in my file.

I sent a voice mail this morning (Sunday) that refers to this TV SPECIAL And Now I have emailed this to you with the attention of City Aids Americas in which they were placed in transit of my entire conflict with Oakland Services and into my attempt to regain a bit of dignity over the entire situation. Realize that I created the google group "LOCAL HIV COMMUNITY OAKLAND CA USA" in my attempts to resolve the issues.

I have been persecuted and out casted from Oakland as a Pariah.

I deserve an apology and praise --- for which your services and community fail. My eviction case speaks for itself.

I have registered MassiveMischievousMarvelOfMoldingMuck.NET and GRUWUP.NET on my first day of homelessness. Wow, you all should be ashamed of yourselves. What is wrong with you people?

I AM NOT GOING TO GO AWAY ---- I HAVE FRIENDS UNDER YOUR REGIME OF DECEPTION AND CORRUPTION!

The technology spec that creates that active process name addressing was created by the authors [authorities] of the http specifications across all web technologies --- [and if we could actually use it to build a global coverage overlay - we could find a way of helping information technology build peace -- that is my interface here]

Most remains REJECT IT at this date of our technology active cyberspace. BUT THE VISION HOLDS --- IT COULD CHANGE. The spec becomes active and addresses a "TRUST LADDER" evaluation overlay across the entire world.

The Key phrase -- written in 2007

Doctor Howard Newsom Wrote, about me, a patient with HIV/AIDS,

"His [James Martin Driskill" Mental Health and HIV Health status were both clinically affected by his housing crisis in Oakland and here in San Bernardino. He is [2007] currently [not 2022 currently] responding well to the treatments and his prognosis is good. However, I [Doctor Howard W. Newsom PHD License PSY-8868] believe that until there is an appropriate resolution (he wants an absolution) of his housing conflicts, he will remain in a vulnerable state regarding his overall HIV and Mental Health status. Have a wondrous day discussing these matters in BOARD MEETINGS!! be sure to waste away the costs of lawyers and various other legal tricks and schemes, plots, and maneuvers to avoid the truth --

to DISCUSS WHAT YOU SHOULD DO WITH ME AS THE ENEMY -- OF YOUR FANTASY!!

THE ENEMY IS NOT ME -- THE ENEMY YOU ALL HAVE -- IS TO RECONCILE THE TRUTH --

YOU ALL PACK ON THE HATE TO ME, TO KILL THE MESSENGER OF YOUR TRAVESTY OF CREATIONS HERE IN THIS COUNTRY!

WILL YOU ALL STOP, LOOK, AND LISTEN TO REASON? NO, YOU ARE DEAD SET TO KILL ME!

TO ALLOW ME TO DIE FIRST -- YOU DECIDE -- WHO HOLDS GOD'S TRUTHS AND WHO HOLDS ON TO THE SATANIC FORCES OF LIES, CHEATS, AND STEALS!

I WILL DIE FIRST - I BET - BEFORE ONE OF YOU STICKS YOUR HEAD OUT OF THE SAND -- AND TO ACTUALLY RESPOND A RESPONSE OF RESPONSIBILITY HERE THIS DAY!

This is not all that complicated -- an extra 24 hours -- to a 48-hour window -- TO GET REAL! This is not a request -- this is a DEMAND!

I DEMAND AN UNDECLINABLE DELIVERANCE OF THE TRUTH, THE WHOLE TRUTH, AND NOTHING BUT THE TRUTH. THE REAL UP HUMAN TRUTH IN AN ABSOLUTION OF REASONABILTY!

I AM FAR FAR FAR FAR FAR AWAY FROM BEING OK!
