Want a New Drug
Song by Huey Lewis and the News

Lyrics

I want a new drug, one that won't make me sick
One that won't make me crash my car
Or make me feel three-feet thick
I want a new drug, one that won't hurt my head
One that won't make my mouth too dry
Or make my eyes too red
One that won't make me nervous
Wonderin' what to do
One that makes me feel like I feel when I'm with you
When I'm alone with you
I want a new drug, one that won't spill
One that don't cost too much
Or come in a pill
I want a new drug, one that won't go away
One that won't keep me up all night
One that won't make me sleep all day
One that won't make me nervous
Wonderin' what to do
One that makes me feel like I feel when I'm with you
I'm alone with you, baby
I'm alone with you, baby
I want a new drug, one that does what it should
One that won't make me feel too bad
One that won't make me feel too good
I want a new drug, one with no doubt
One that won't make me talk too much
Or make my face breakout
One that won't make me nervous
Wonderin' what to do
One that makes me feel like I feel when I'm with you
I'm alone with you
I'm alone with you, yeah, yeah

My life is alone with no one. No one -- no one. I am the one who stands for the standard of excellence, it is trashed upon. I do not accept this equation that I cannot speak the truth to my health care providers. That truth makes the doctors weak. Weak to see that I cannot be anything other than me. You cannot cut me off

The energy represented by the numerology number 77 is, foremost, an energy of expression of personal freedom.

77 is introspective, but also adventurous and sensual and spiritual so long as its expression of personal freedom isn't restrained.

I know the truth is so sick. A sickness that overwhelms you to insane relations and choices you put into breaking relations. You must hold allegiance to some other force that you are secretly bonded to. A person, place, thing, or demon I do not know.

For fucked up human sure, you drop all respect away from me!

You all are killing me! Slowly...
A Forevermore Cruel Irrationality!
